playbypoint.com

BUILT FOR RACQUET SPORTS, ENGINEERED FOR GROWTH

Founded in 2016, Playbypoint was born from a simple truth: the industry's systems were built for the past, not for performance.

Since day one, we've partnered with operators to reimagine how clubs run, uniting operational intelligence, player experience, and automation into a single modern platform.

POWERING THE NEXT ERA OF RACQUET CLUB MANAGEMENT

CHOSEN BY THE CLUBS THAT PLAY TO WIN.

“Playbypoint don’t just sell software, they show up, solve problems, and build with you. That’s what makes them different.”

Mehdi Rhazali
Co-Founder
Viva Padel & Pickleball

“Playbypoint transformed how we run our clubs. Everything flows. Bookings, data, communication — it’s all finally in one place. We trust them completely.”

Jess Nicoli
Founder
Nicol Sports

Nicol

“In under a year we grew to more than 6,500 players. Playbypoint helped us create a real community. Players love how easy it is to book, play, and stay connected.”

Sam Ring

Co-Founder
Pickleball XPO

CHOSEN BY THE CLUBS THAT PLAY TO WIN.

“We manage multiple venues under the Playbypoint platform without friction. It’s intuitive for staff and effortless for players, that’s changed everything.”

Ron Shell
Founder & CEO
The Jar & National Pickleball League Australia

“If you’re looking to make your job easier and spend less time on admin, use Playbypoint.”

Eric Fey
Head Pro, Director
Telluride Racquet Club

“Playbypoint is the vehicle through which we’ve established our culture. We couldn’t have built the Flying Pickle community without it.”

Paul Starita
Founder & CEO
The Flying Pickle
